- SFM/India has prison ministries in 4 prison systems in Mizoram. Many prison inmates have accepted Christ over the years and are being trained and mentored weekly by SFM/India volunteers.
- We receive thank you calls and e-mails from all over India of those who have been blessed by our SFM web site ministry with all of its free ministry tools.

As the year 2007 draws to a close, it is good to look back and give thanks for all that God has done this past year. It is truly amazing to see what God has accomplished throughout the world using staff and volunteers at Set Free Ministries. We are His hands and His feet, bringing good news to the poor and setting the captives free.

We look forward with anticipation to all the Lord has in store in the year 2008. We would ask that you prayerfully consider a year end gift to Set Free Ministries to help launch us to new horizons in 2008!

Thank you for your faithful prayer and support.
