## AFTER-CARE PARTNER COMMITMENT

Dear Friend in Christ,

Your friend, \_\_\_\_\_, has asked that we take him/her through the *Steps to Freedom in Christ*, which we are happy to do. This process will bring him/her to a point in life where follow-up and accountability is essential to maintaining his/her freedom.

We have found that follow-up is extremely important after a person works through *The Steps*. Because this is true, we ask that each person we take through *The Steps to Freedom* have a '**mature in the faith**' same-sex friend who will invest three months of their time in helping their brother/sister in Christ become stabilized in their faith. This always proves to be an enriching experience for both parties involved. This is **not** a "mandatory requirement" in order to go through a Freedom Appointment, but we **strongly recommend** it.

Every Christian needs someone to who he/she can be accountable and who will support them in prayer:

*Encourage one another daily, as long as it is called Today, so that none of you be hardened by sin's deceitfulness. (Heb 3:13)*

*Carry each other's burdens, and in this way you will fulfill the law of Christ. (Gal 6:2).*

### Guidelines for Follow-up:

- ◆ Use the step by step program laid out by Neil Anderson in his book Living Free In Christ.
- ◆ Meet weekly and keep each other accountable.
- ◆ Pray for your friend daily.
- ◆ As the Lord puts it on your heart, call him/her with a word of encouragement.
- ◆ Suggested reading: Victory Over the Darkness and/or The Bondage Breaker, by Neil Anderson. (These can be purchased at any Christian bookstore.)

Before we schedule your friend's appointment, we have asked that arrangements for this kind of relationship be in place and committed to by both of you. If you are willing to serve your friend and Jesus in this role, please write your name in the space below indicating that you are willing and called to do this. Please make this commitment after prayer.

In Christ,
